

Post 7392 Men's Auxiliary Installation

We have officially stood up our Men's Auxiliary here at Post 7392 and have held elections but have run out of membership cards. Can you tell me how we get them? Also just to give you and the Department Commander a heads up, they are having their installation of officers on the 25th of February and the Staff at Department is cordially invited. Dinner at 6:00 PM (Meat Loaf, Green Beans, Mashed Tators, salad and a roll all for \$5.00). Please RSVP with me or Diane Small by 17 February so we can get a head count. Diane Small is the installing officer.
